

## **ART GUILD**

It has been our great fortune to have many supportive parents over the years who have assisted the Art Department in many ways. The Art Guild was formed to coordinate those efforts. It is YOUR great fortune that they have worked hard to help us keep art fees at a minimum. Indeed they have not gone up for about 15 years now! Services and activities they help with include: hosting luncheons for the college reps during Third Coast, running occasional errands, hanging shows outside of school, an Art Career Night (new this year), chaperoning Field Trips, putting on the Print and Photo Sale in the spring (which raised \$10,000 last year) and selling t-shirts and bumper stickers at evening events. Please support them. Your help is needed and appreciated and it is a great way to get to know what is going on!
