Art Guild Information Form 2011 - 2012

At HSPVA, the Art Guild is made up of parents of the Visual Art department students. We assist the department with tasks and help raise money for equipment and activities that enrich our students' experience at HSPVA.

- $10 membership dues are requested from the family of each art student. (Use envelope.)
- Contact information is requested for volunteering, but also for keeping parents up-to-date.
- Donations of cash, food and serving supplies, art materials, including framing supplies, are essential.
- Bumper sticker and t-shirt purchases directly support the Visual art department as well.
- Attendance at Art Guild events is fun and informative.

Opportunities to volunteer your time include events that occur both during and outside of school hours. Please check off any activity which you might enjoy hearing more about.
